10	Contact us

Wayemba's Trading & Projects Cc (WTP) was established in 2006. We are the experts in Design, Fabrication and commissioning in multi-disciplines namely Mechanical, Electrical, Chemical Controls & Instrumentation, Civils and Environmental, Health & Safety and Quality management consultancy services.

vision

Our company aim to provide the clients with the value for their money and a peace of mind with regards to quality and integrity.

mission

To provide our customer with professional services of the highest possible standard, guiding ourselves with the requirement of the set national and international standard & procedures.

values

- Customer centricity
- Dependability
- Consistency
- Efficiency
- Due care

01. Mechanical Engineering

- ⊕ Design, Fabrication, Installation & Commissioning
- ⊕ Hydro or Pneumatic Testing
- ⊕ Fusion Welding
- ⊕ Destructive & Non destructive Testing
- ⊕ Corrosion Protection

02. Chemical Engineering

- ⊕ Process development
- ⊕ Process optimisation
- ⊕ Design, maintain and monitoring
- ⊕ Water treatment plant operations
- ⊕ Waste water treatment solutions and case studies
- ⊕ Design, construct, commission and operate of the pump stations

03. Civil Engineering

- ⊕ Structural
- ⊕ Bulk civil works
- ⊕ Construction in all aspects
- ⊕ Geotechnical
- ⊕ Survey works

04. Maintenance

- ⊕ Renovations & parameter fencing
- ⊕ Fault finding & corrections
- ⊕ In-situ valve machining
- ⊕ Valve stiling
- ⊕ Gearbox, pumps and motor allignment
- ⊕ Welding works and in progress inspection

05. Electrical Engineering & Controls & Instrumentation

- ⊕ Design
- ⊕ Wiring
- ⊕ Assembling
- ⊕ Full range of testing
- ⊕ Oil sampling & condition monitoring

06. Bulk Material

- ⊕ Coal Stockyards Management
- ⊕ Coal & Ash Hauling
- ⊕ Aggregates Management

07. Plant Hire

- ⊕ Earth moving equipment ADT's Dozers & FEL's
- ⊕ Road construction | Graders, Rollers, Tippers & Sweepers
- ⊕ Small tools | Generators, Compressors & Lighting Plant

08. Coal Processing

- ⊕ Crushing
- ⊕ Screening
- ⊕ Site maintenance & Management
